

If you want to know more about the legal framework of conflicts in Syria, Eastern Ukraine, Colombia, etc...

- **Main developments of International Humanitarian Law (IHL)** and its relationship with **Human Rights**;
- **Protection of War Victims:** civilians and combatants hors de combat (prisoners of war, wounded, sick and shipwrecked);
- **Conduct of hostilities:** military objectives; aerial bombing; use of certain conventional weapons and weapons of mass destruction;
- **CFSP and the implementation of IHL by the European Union and the EU crisis management operations**;
- If you want to know if IHL is still **adapted to the current** world challenges.
